Connecting with ~~Kristy~~ Lisa...

I should start by saying with great enthusiasm, "This is my moment!" but let's stick to the truth. The fact is...I have been brutally left behind. Yes. While you read this, our fearless leader is skipping around none other than the world-renowned DISNEY WORLD. Can you believe it?! How unfair is that?! Totally brutal. Unfair. And I'm stuck here. And yet that is not quite the truth either. But sometimes we feel that way, don't we?

We feel left behind and stuck in a rut while everyone else seems to be taking the world in their hands and stealing all the fun. Sometimes we forget to rejoice. Sometimes we wish for what we don't have. Sometimes we groan rather than grin. And sometimes...I'm guilty as charged. So I WILL take this as "my moment" to grin rather than groan. To rejoice rather than covet. And to be thrilled that my best

friend is having the time of her life. That is indeed what "the body" is all about. We rejoice together, we grow together, we grieve together, and we live for each other's greatest successes and triumphs. So here's to Disney World! And here's to the safe return of our fine, fearless, and really fun Children's Director!
